

**CAMANO ISLAND FIRE RESCUE  
811 N. SUNRISE BLVD.  
CAMANO ISLAND, WA 98282**

# **CALL FOR BIDS**

All interested asphalt sealcoat contractors,

The fire district on Camano Island is currently soliciting asphalt sealcoat resurfacing and parking lot re-painting quotes for two fire station facilities located on Camano Island.

The fire district will accept **written project quotes either in person, electronically, or delivered via common parcel carrier up until May 9, 2022 until 4 PM** at the fire district administrative office located at the mailing address of: 811 N. Sunrise Blvd, Camano Island, WA 98282.

- Any / all such quotes received by the deadline date / time will be opened and read aloud during a public meeting on the same date time. The fire district staff will then review all quotes and a final award decision will be made at a later date. The fire district is not bound to accept the lowest bid – but must justify why we did not.

## **PROJECT DETAILS:**

**Prep, clean and SEALCOAT the entire existing asphalt surfaces of each fire station facility, AND repaint the existing parking lot striping, the painted fire zones, all curb markings and the ADA stenciling,**

located at:

**“VISTA” FIRE STATION # 1-4  
273 N. West Camano Drive,  
Camano Island, WA 98282**

AND also;

**Fire Administration Office  
811 N. Sunrise Blvd  
Camano Island, WA 98282**

Remote worksite viewing is possible via Google Maps, or instead, in-person on-site visits can also be accommodated by first notifying the fire district staff.

**All such sealcoat actions would need to conclude by no later than October 28, 2022.**

Project inquires or related questions are encouraged. The staff contact for this project is Asst Fire Chief Craig Helgeland: [chelgeland@camanofire.com](mailto:chelgeland@camanofire.com) 360 387 1512

This same sealcoat project notice can also be seen at the fire district webpage:
