

Camano Island Fire & Rescue 811 N Sunrise Blvd, Camano, WA 98282 |
[\(360\) 387-1512](tel:3603871512)

Part-Time Firefighter requirements & information

Certifications required to apply:

- Firefighter 1
- Hazmat Operations
- EMT-B
- Must have current CPAT

Job duties

- Part-time firefighters are assigned to one of three shifts (A, B, or C shift) and work either the first or second day of their 48/96 schedule
- All part-timers work a total of five (5) 24-hour shifts each month.
- Part-timers get a flexible 10 hours each month for additional training
- Your schedule is set for the year, easy to plan around, and shift trades are allowed after 3 months
- You can become a member of our marine rescue team at the Operations level
- You will participate with the rope team at the Operations level while on shift
- You will work alongside paramedics and are expected to learn medic-assist skills such as 12-lead ECG placement, IV set up, and intubation set up. This is great for anyone thinking about paramedic school.

Why join our team

Camano Fire takes pride in the fact that it offers full-time interviews to all part-time firefighters when openings are available.

Starting part-time is a common path to full-time employment: 19 out of 34 full-time career firefighters at Camano Fire (55%) began their careers here as part-time workers.
